

Graduate Trainee

Our graduate Development Program is made up of four main elements

Management Development, focusing on developing your effectiveness both personally and professionally

Safety, health and environment, where you'll learn crucial information to ensure the safety of yourself and everyone on site

Technical, aiming to equip you with core competencies such as measurement and design appreciation

Professional Development, we will encourage you to achieve membership of a relevant professional body

Requirements

- Studying or recently graduated Construction Project Management or Quantity Surveying and Commercial Management
- A genuine passion for developing a career in the construction industry
- Strong team working skills and the ability to interact with a wide variety of people at all levels

Our aim is to provide you with an insight into our business, whilst gaining valuable experience of construction. You will be given the guidance and support you need to ensure you make the most of your time with us as we want you to make a valid contribution to our business throughout your time at Kingerlee. In order to develop quickly, you will be given a real taster of the role and given real responsibility.

We offer

- 25 days basic annual holiday pay on joining
- Competitive rates of pay
- Auto enrolment pension scheme
- Employee assistance programme
- Well-being initiatives

You will be required to hold a full driving licence and preferably have access to your own transport as sites may be outside of Oxford. You will also need to have the right to live and work within the UK (or the ability to obtain the appropriate visa/permit)

If you would like to be considered then please send your CV in the first instance to Debbie Taylor (debbie.taylor@kingerlee.co.uk)
